Large closet in lower level will accommodate all of the Historic Arnold Books and many boxes of Historical Calendars from 2009-2013. On the back side is the newly renovated bathroom.

Way up there—tree removed because limbs were dangling on electric lines. At the tree base, concrete will be poured for the ADA compliant ramp.

West side door, hardware and trim purchased with grant from Commerce Bank.

During the week of April 8 the lower level bathroom and closet will be enclosed, taped, and painted. WalMart purchased a high-rise toilet which will be installed. A vanity and mirror pulled from the New Year's Eve tornado in Sunset Hills and donated by Harlan and Dixie Gast completes that area. All wiring has been replaced and now follows City Code.
