News Update from The Prez- Bernie Wilde

This message is the last time I write as President of the Arnold Historical Society. Lots of things are happening at the Museum these days, but I need to let someone else take over some of the jobs while I take some time for myself and Roy. It has been an extremely busy 12 months for me as I looked and found a building suitable to house the many artifacts that were stored in my basement. However, I will still be doing some of jobs. A priority is to file papers and enter genealogy information which has not been done for two years

I am still the Treasurer, but I will not need to make calls on all of the businesses in Arnold to help pay for major rehabbing. Instead I am counting on all of the members to help with the monthly bills which total \$1,500 each month. This year you can use a pledge form (p.4) if you want to send in monthly payments. Donations over \$100 will be acknowledged since the Society is a 501(c) 3 organization. Year-end donations will help make a smooth transition to 2013. Fundraisers need to continue to meet all of the costs. An unexpected cost this week: Squirrels entered the attic. Cost about \$500.

At the Annual Meeting on Nov. 4, Mike Evans has agreed to become the President. Mike teaches in the Bridges program at Fox High School. Mike is younger and has access to various students to help in several upcoming projects. One of those projects will be to seal the newly poured blacktop on the back parking lot in spring. One of our newer members, Jackie Howell, was elected Secretary for the next two years. Phone numbers on page 2.

Other changes that will be made shortly are the amount of days and hours the Museum will be open. During the winter months, **December – April the museum will be open Thursday and Saturdays from noon-4 p.m.** Then from **May through November**, when the days are longer, the Museum will be open **Thursday, Friday, and**
