

Preparing the Wedding Dress Display for May – June 16

Headpieces from 1923 and 1938 on display. Cake tops from 1938 and 1960 and headpiece from 1995.

The wedding dresses are on loan from Arnold, Cedar Hill, Kirkwood and Naperville, IL. A special thanks to the Arnold Professional Cleaners for assistance with each dress and train. Next came all of the steaming to remove wrinkles from many years of storage. Additional pipes were needed to make the dress rack taller to prevent the wedding trains from dragging on the floor. Special thanks to Gary Parham for threading the pipes. Cal Weber measured and assembled pipes at the museum before dresses were transported to the museum. And now the display is ready! It will be on display from May 1-June 16 when a Father's Day exhibit of a 1973 farm truck and historic tools will be added. An additional feature of this exhibit is to purchase raffle tickets: 1/\$1. or 6/\$5. The winning ticket being drawn on June 16. Winner receives 1/2 of the proceeds.
