Ed Blattner, Public Works Director for the City of Arnold, holds the new mirror that was installed on Richardson Road across from Historic Richardson Cemetery. Now, when leaving the cemetery, the mirror will show cars coming from the West instead of a blind spot.

Robin Hanson, Bernie Wilde represent the Arnold Historical Society, Ed Blattner, Michelle Hohmeier representing Ward 2, and Darryl Kuenzle and Josh Skaggs installed the mirror.

In front of the Museum, Christopher Abele, Jr. records the number of feet to determine how many bricks will be needed to make a two-tiered landscape project for his Eagle Scout project. His father, Chris, left, is Boy Scout 744 Leader and Keith Emory, right, is the Counselor. This project will begin Sept. 28 and be completed within a month. Chris needs donations up to \$1,500 to complete his Eagle Scout badge and the Historical Society will accept those donations.
